

DIRECTOR OF CENTRAL INTELLIGENCE
SIGINT Committee

Office of the Chairman

5 August 1982

MEMORANDUM FOR: Mr. Walter Elder
Executive Secretary, National Foreign Intelligence Board

SUBJECT: Status of DCIDs 6/2 and 6/3

We have reviewed the subject DCIDs as you requested. The guidelines in DCID 6/2 are generally still current. I understand that NSA will ask to change certain items concerning implementation responsibilities based on a 1977 MOU between the Acting DDCI and DIRNSA. However, they haven't given us the substance yet. DCID 6/3 is superfluous. Sufficient authority exists in E.O. 12333 and the new SIGINT Committee DCID to support publication of the SISR, Volume I which supercedes the CISR. I recommend that 6/3 be rescinded and not be replaced.
